

Dinning and Cafe Chair Collection

Solid wood designer chairs, very well made in Vietnam. Our Australian designed and managed furniture collection is made with great care and attention to detail - in our own and partner factories - from sustainable timber products.

Ideal for cafes and restaurants who are looking to stand out from the crowd.

We offer a 12 month warranty on each chair and a re-upholstery service so you can extend the life of your chair.

This new collection is available to 2024 to 2025 in dark and medium stain with various upholstery options and colours.
