

## Dinning and Cafe Chair Collection

Solid wood designer chairs, very well made in Vietnam. Our Australian designed and managed furniture collection is made with great care and attention to detail - in our own and partner factories - from sustainable timber products.

Ideal for cafes and restaurants who are looking to stand out from the crowd.

We offer a 12 month warranty on each chair and a re-upholstery service option so you can extend the life of your chair.

This new collection is available from February 2025 in custom wood stain with various upholstery colours.

### Lanesra Chair

This stunning and very comfortable replica chair has a timber and engineered moulded flexible polyurethane frame based on the 'Venture' designer chair. Experience a luxury feel every time you sit in this beautifully crafted chair. Rated one of the most comfortable chairs in our collection, this attractive chair is great for formal dining or a refined meeting space.

# NOTES, TERMS AND CONDITIONS

Refer to our website for updated terms and conditions.

Access your account on our website to track quotes, orders etc.

Key Commercial Terms related to any pricing, warranties or other matters are referenced here but are subject to contract.

Images used are illustrative only and final products may vary in colour due to natural factors which affect production. When producing custom items to order: every care is taken to assist the buyer in defining the requirements and in ensuring that the manufacturing process is managed to ensure that the buyer's requirements are met.

Custom colours and configurations are practical at higher volumes, that is over 50 pcs per customisation. We can accommodate customisation over for smaller quantities at additional cost.

If an item is not in stock, reorder, production lead times, logistics etc mean that lead times can be as much as 75 days. Please discuss your planning and schedule with us and check on quantities with us.
